Make a name for yourself in the DHS Auditorium without ever getting on stage!

Participating in DEEP's Save-A-Seat Technology Fundraiser will make you a star in the eyes of every Danvers student

DEEP is committed to providing the students at Danvers High School with the technology necessary for 21st century learning.

For the past several years we've been busy raising money to bring Danvers High School students 8 state-of-the-art learning labs. The hands-on experience gained in these labs will give our students the skills necessary to compete in the global workforce.

To continue our support of DEEP's mission, we've created a number of attractive seat-naming opportunities in the Danvers High School auditorium. It's a wonderful way to honor someone special, or to show your appreciation for the education you or your children received from the Danvers Public Schools.

So many community members have already contributed...please consider joining them in giving to the future success of every Danvers student. For your convenience, a donation form can be found on the following page.

On behalf of DEEP and all Danvers students, thank you!

Thank you for your support of our students!
