

Congratulations to the DHS Class of 2017!

**Show your Falcon pride
by participating
in the DEEP Save-A-Seat
Technology Fundraiser**

DEEP is committed to providing the students at Danvers High School with the technology necessary for 21st century learning.

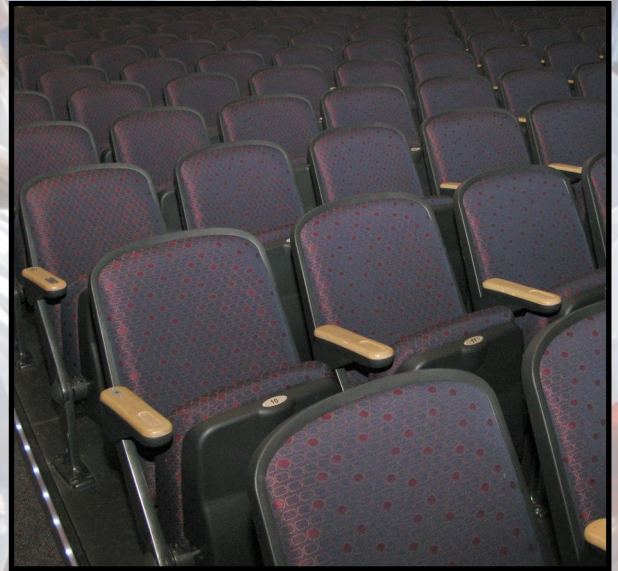

For the past 6 years we've been busy raising money to bring Danvers High School students 8 state-of-the-art learning labs. The hands-on experience gained in these labs will give our students the skills necessary to compete in the global workforce.

To continue our support of DEEP's mission, we've created a number of attractive seat-naming opportunities in the Danvers High School auditorium. It's a wonderful way to honor someone special, or to show your appreciation for the education you or your children received from the Danvers Public Schools.

Is there a graduating senior or DHS alum that you know? Is there a principal, teacher, advisor or coach you'd like to honor in a special way? Consider showing your appreciation by making a gift in their name to DEEP's Technology Campaign.

So many community members have already contributed...please consider joining them in giving to the future success of every Danvers student. For your convenience, a donation form can be found on the following page.
