A Welcome from Our Co-Presidents

On behalf of the Danvers Educational Enrichment Partnership (DEEP) Board, we would like to welcome you to the first edition of the DEEP Corporate Newsletter.

For those of you who are new to our schools, DEEP is a non-profit organization, independent of the Danvers Public Schools. DEEP's mission is to enhance and broaden community support for public education and to provide funding for innovative and challenging programs for students and educators in our schools.

This quarterly newsletter will be delivered via email to the entire Danvers Public Schools Community as a means to keep you up-to-date with DEEP activities and events. It will also be a way for us to share programs and services that are being offered by our corporate sponsors.

*Cari Matt
Mary Beth Verry*
