## Giving Thanks...

On behalf of the DEEP Board, I'd like to welcome you to the third edition of the DEEP newsletter. We're happy to be starting the new school year back to full-time, in-person learning for all in the Danvers Public Schools.

In this season of Thanksgiving, we would like to thank all those who have helped and continue to help support DEEP. It is because of this support that we are able to provide funding to help enhance the education of all students in the Danvers Public Schools.

This year, DEEP is once again supporting the schools with the DEEP Teacher Grant program. Last month, teachers were able to submit proposals for grants. Our grant committee, lead by Mari Matt, will be meeting this month to determine the grant recipients. DEEP would not be able to provide this support without our members, fundraising and the generosity of the community and corporate members. Thank you to all those who have contributed in some way to help support our teachers and students. It is greatly appreciated.

In this edition you will find offers from some of our DEEP sponsors, as well as information on the upcoming Danvers Holiday Festival and Tree Lighting that DEEP is presenting on December 4, 2021. There is also information on two upcoming DECA events taking place this December.

On behalf of DEEP, I would like to wish you all a safe and wonderful start to the holiday season.

*Mary Beth Verry*  
DEEP President

## Danvers Holiday Festival & Tree Lighting

Join us in Danvers Square on Saturday, December 4, from 2:00 to 5:00 p.m. to celebrate the season!

Enjoy music by bands and choral groups from Danvers High School and a DJ; a meet and greet with Anna and Elsa from the movie Frozen; arts and crafts, raffles and food samples from local businesses and Essex Agricultural and Technical High School.

Visit with Santa at East Boston Savings Bank, and stay to watch him light the tree in Danvers Square at 5:00!

**JOIN US**

DEEP is looking for parents to join the board and help us continue our commitment to the schools. Help us fundraise, select grants and plan for the future. The time commitment is short, but the benefits are many.

Plus, it's a great way to continue your support of the schools during the middle and high school years when opportunities for direct participation in the classroom are limited.

Please join us for our next meeting on Wednesday, November 17, at 8:00 a.m. – Brookline Bank, 107 High Street.

about him**

★★★★★ "Not only did we get an amazing rate and save a ton on our mortgage, but everyone we worked with was so nice, flexible, and made everything easy to understand. The online portal was simple and effective to work with, and took away a lot of stress with keeping track of so many documents.

We did the whole refi in maybe 3-4 weeks beginning to end. They were also incredibly flexible to complete the closing at our home because of COVID-19. Can't recommend Brad Vocino enough!"

—Tara H.

★★★★★ "This is the second time within less than a year that we refinanced our mortgage with Brad. The process was very quick and he able to lock us into a lower rate than we had anticipated. I would highly recommend Brad Vocino for any mortgage needs!"

—Audrey B.

★★★★★ "Brad is one of the best out there to work with personally and professionally. He treats you like you are his only client, explains the process from A to Z and makes you feel comfortable with one of the largest transactions in your life. I would recommend Brad to everyone."

—Katrina B.

★★★★★ "Brad and his team at Ross Mortgage were so incredible to work with. Brad's dedication and customer service was evident right away when he returned our voicemail while he was on vacation with his family. He was so friendly and helpful throughout the entire process, and since we were first time home buyers he was such an amazing resource for us. Brad and his team really made the whole experience as stress free as possible and we would definitely recommend them."

# The New Drug Education

## Having Discussions with Teens

Greg West is a recently retired Health Educator with 32 years of experience working with middle and high school students promoting healthy, knowledge-based decision making. A Danvers resident, he offers this program to help parents address concerns and offer guidance to their teens about substance use and abuse.

### The New Drug Education

The general acceptance of recreational intoxication in young people has never been high as it is today, and as the country moves toward the decriminalization/legalization of marijuana, this popularity will continue to grow.

The New Drug Education looks at current trends in use and attitudes about intoxication, considers best practices for educating and raising adolescents, and examines the legal and health risk factors young people are facing.

This free, virtual presentation will take place on Thursday evening, November 18<sup>th</sup>, from 7:00-8:30pm.

[Use this link to join the Zoom meeting](#) or email [wepsEducation@gmail.com](mailto:wepsEducation@gmail.com) with “Drug Education” in the Subject line for a return email with the link.
