Your Support Helps Us Help Our Students

On behalf of DEEP, we would like to thank all of the businesses, families and individuals that have supported us over the years, and particularly over the past year. DEEP's mission is to enrich the educational experiences of the students in the Danvers Public Schools. 2020 has severely disrupted those experiences.

The restrictions on gatherings due to the pandemic severely limited DEEP's ability to fundraise in 2020 and we need your help. As we eagerly await the full reopening of our schools, DEEP is poised and ready to continue to fund teacher grants and provide additional needed funding for the many ways our schools and teachers support the social-emotional and educational needs of students. We need your help to ensure we can continue to meet these needs in the years to come.

There are a variety of ways for you to support DEEP, including:

- Become a member of DEEP (individual or family)
- Become a business sponsor of DEEP (sponsorships range from \$100 to \$1,000)
- Currans Cares Program (see the article on page 3)
- Participate in the DEEP fundraisers posted on our Facebook page or website

We are incredibly grateful, in this season of giving and always, for any and all donations. For more information, please visit our website at: <http://www.supportdeep.org>.

A Holiday Tradition Goes Virtual

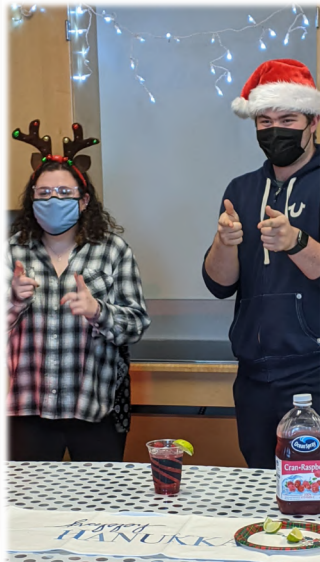

Thousands tuned in to Danvers Community Access Television Saturday to celebrate the season virtually. The *Downtown Holiday Tree Lighting* aired at 5:00 and featured musical performances by Danvers High School students, story time with Library Director Alex Lent, and holiday cheer recipes from DanversCARES.

As always, the highlight of the program was the lighting of the tree in Danvers Square by Santa himself! Thanks to East Boston Savings Bank for inviting this very special guest to our community celebration.

Extra special thanks go out to Glen and Judith Kernusky for donating the beautiful 34-foot fir tree, and to our amazing DPW, Electric Light, Fire and Police Departments for their help in making the season bright. Thanks, too, to all who supported DEEP through our *Tree Lighting Holiday Ornament Sale*. Your personalized ornaments will trim the tree in Danvers Square for many seasons to come.

Missed the festivities? Not to worry, you can watch it on DCAT's YouTube channel anytime at: <https://youtu.be/kRc7wkMeZnA>.

While we couldn't be together in Danvers Square, we ask that you please support the businesses that call the Square their home this holiday season so that we can celebrate with them in person in 2021.

Celebrate the Season and Support DEEP!

The holidays are fast approaching! If flowers will be a part of your celebration, please consider ordering your beautiful arrangement, plant or centerpiece from Currans Flowers.

Place your order (for delivery or in-store pickup) online at www.curransflowers.com, and they'll make a donation to DEEP through their CURRANS CARES program.

Simply check the CURRANS CARES box at the top of the Your Payment Information page, and select D.E.E.P. Danvers Educational Enrichment Partnership from the drop-down menu that appears below your billing information.

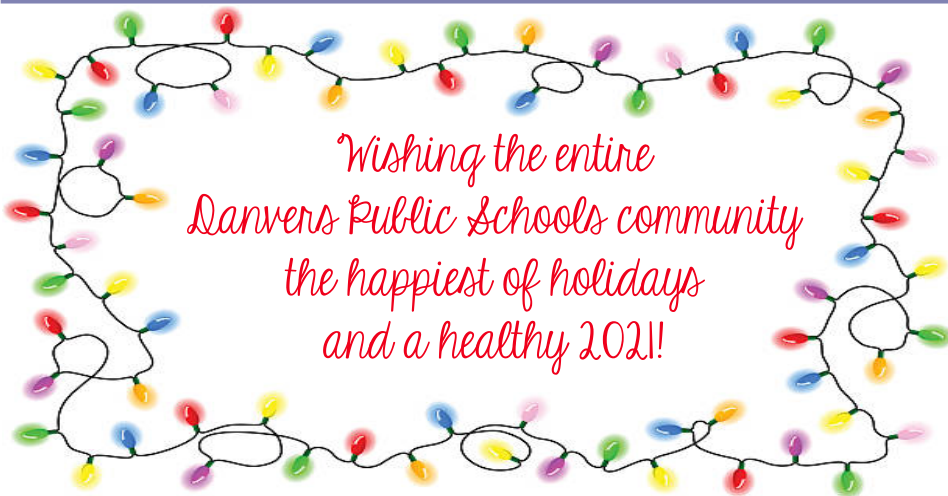

Thank you and happy holidays!

DEEP is looking for parents to join the board and help us continue our commitment to the schools. Help us fundraise, select grants and plan for the future. The time commitment is short, but the benefits are many. And it's a great way to continue your support of the schools during the middle and high school years when opportunities for direct participation in the classroom are limited.

Please join us by emailing deep@danvers.org for the link to attend our next virtual meeting on January 13 at 8am.

See what Brad's clients are saying about him

★★★★★ "Not only did we get an amazing rate and save a ton on our mortgage, but everyone we worked with was so nice, flexible, and made everything easy to understand. The online portal was simple and effective to work with, and took away a lot of stress with keeping track of so many documents. We did the whole refi in maybe 3-4 weeks beginning to end. They were also incredibly flexible to complete the closing at our home because of COVID-19. Can't recommend Brad Vocino enough!"
—Tara H.

★★★★★ "This is the second time within less than a year that we refinanced our mortgage with Brad. The process was very quick and he able to lock us into a lower rate than we had anticipated. I would highly recommend Brad Vocino for any mortgage needs!"
—Audrey B.

★★★★★ "Brad is one of the best out there to work with personally and professionally. He treats you like you are his only client, explains the process from A to Z and makes you feel comfortable with one of the largest transactions in your life. I would recommend Brad to everyone."
—Katrina B.

★★★★★ "Brad and his team at Ross Mortgage were so incredible to work with. Brad's dedication and customer service was evident right away when he returned our voicemail while he was on vacation with his family. He was so friendly and helpful throughout the entire process, and since we were first time home buyers he was such an amazing resource for us. Brad and his team really made the whole experience as stress free as possible and we would definitely recommend them."
